Re: MM Docket 86-440, and application for consent to assignment of broadcast station construction permit or license BAPCT – 20040316AJT

Dear Ms. Dortch:

On April 7, I mailed an informal protest, regarding the application of the Charlottesville Broadcasting Corporation (CBC), accepted for filing on March 26, 2004, to transfer control of facility #363, Call Sign 860410KP, a construction permit, and its associated pending modification of construction permit applications, for a new Television station at Charlottesville, Virginia, to Gray Television Licensee, Incorporated (Gray).

In this informal objection, I made references to TV translator station W64AO, FCC facility ID Number 4687, also owned by Gray. As of April 9, 2004, the call letters of this station were changed to WVAW-LP. Please note that all references in my informal objection of April 7, 2004 that mention W64AO, should now be considered references to station WVAW-LP.

Sincerely yours,

A handwritten signature in black ink, reading "Sidney E. Shumate". The signature is written in a cursive style with a horizontal line underneath the name.
